# ISO card holder

The SmartLiberty ISO card holder is an accessory to the staff badge; it allows an ISO card to be used as a name badge.

The functions of the staff badge remain unchanged, as the electronics are retained and only the housing is replaced. This is necessary to ensure watertightness.

ISO card holder, front
1 Reassurance light (LED)
2 ISO card holder

Personal-Badge, back
3 Assistance or assault/SOS call button
4 Cancellation button
5 Clip fasteners
